

What is an "IT" sale?

It's our annual auction fundraiser where just about anything goes! Officially, its known as the "Make it, Bake it, Grow it, Sew it" sale, but we just call it the IT sale!

What can you purchase at the IT sale? Just about anything...fresh home-grown veggies, home-made breads and cookies, charm packs and strip sets, books (usually of the crafting variety), quilted table toppers and runners, sewing machines... just to name a few items. We also have a raffle table to purchase some smaller items instead of auctioning them off - think jelly rolls, potholders, and other goodies.
